

Attica Independent Fair | Kids Day 2024

We are WILD about Attica Fair!

Dear Valued Community Member,

Attica Independent Fair is so proud of our commitment to continuing agricultural growth in our kids and in our community, and we'd like to thank you for being a part of that mission.

However, our mission to continue growth in science and ag related fields for the kids in our community is a 24/7 undertaking! We need your help to continue our work by supporting our **148th Attica Fair - Kids Day**. Each year during our fair, one day is dedicated solely to the kids in our community and how we can promote growth in science and ag related fields; while having some fun celebrating the end of another year of hard work. Over the years we have provided balloon artists, face painting, COSI, NASA ... just to name a few. We are looking to expand that this year and in the years to come; not only to impact the 4-H kids that we currently support but also impact visiting members of our community and their young children. We are looking to host a variety of activities and projects this year that will be brand new!

Past campaigns have enabled us to fund things continuously over the years, like COSI. As a nonprofit organization, though, we *completely* rely on community support. None of our efforts would be possible without the help of donors, volunteers, and supportive community members like you.

Would you please consider making a donation of any amount to help us fund our new projects and activities? We have a **goal** much higher than years past to fund activities, prizes and exhibits. This year our theme is an African Safari and we would like to provide a visit from a traveling exotic animal show. If you'd like to make a donation, please send a check to Attica Independent Fair at PO Box 433, Attica, Ohio 44807.

Any and all support is greatly appreciated. We're excited to get working on creating a great experience for the Attica Independent Fair - Kids Day 2024! **Thank you for being a part of our community and our story.**

Sincerely,

Morgan Beat

AIF Kid's Day Coordinator
