

Breeding Gilt Show

A. ATTICA FAIR IS RACTOPAMINE (PAYLEAN) FREE.

This means that all hogs exhibited at the Attica fair must not have been fed/given Ractopamine (Paylean) in any form or at any time during their growing period.

B. Each exhibitor showing hogs at Attica, along with their parents, will have to sign an affidavit attesting to the fact that NO ractopamine (Paylean) in any form has been given to their hogs from the time of exhibitor ownership and exhibitor possession. Disciplinary action for violation of the Ractopamine free rule will be at the discretion of the Attica Fair Sale Committee and the Attica Sr. Fair Board.

C. Swine exhibitors must store all equipment and feed on top of the pens or in empty pens.

D. All breeding gilts are to be in the possession of the exhibitor by May 15 of the current year.

E. Slick clipping or body shaving of hair on breeding gilts, except ears, tail and underline is PROHIBITED. Hair length of breeding gilts can be checked at any time during the fair. A committee of three members, one being a Sr. Fair Board member, will measure the length of flexible hair on the breeding gilts. Any gilt whose hair does not meet a minimum required length of ½” will not be permitted to show.

F. No straw or mulch shall be used, wood shavings only

G. All Breeding Gilt classes will be broke down my animal weight.

H. Classes will have maximum of 6 exhibitors in each class.

I. Unlimited max weight

J. Breeding gilts must be a different animal than the market hogs

K. Breeding Gilts must weigh a minimum of 210lbs.

L. All exhibitors will follow the Ohio exhibition rules.

M. Breeding gilt are allowed to be used for Showmanship

N. Is the breeding show will be after the market hog show

O. All breeding gilts remain at the fair the entire fair week.
